Work Opportunity Tax Credits

Work Opportunity Tax Credits may be claimed by any **private, for-profit business**. Qualified “tax-exempt” [501(c)] organizations may claim tax credits for the veteran target groups only. The credit amounts for “tax-exempt” organizations are different than the amounts for “for-profit” organizations. (See the instructions for IRS Form 5884-C for more details.) There are no limits on the number of qualifying new hires or on the total amount of credits distributed each year. The credits cannot be claimed on previous employees, relatives, domestic employees, or on wages federally subsidized by on-the-job training programs.

For most of the target groups, the federal tax credit is 40% of the first \$6,000 in wages, for a maximum credit of \$2,400 each for employees that work at least 400 hours. If the individual separates before working 400 hours, but has worked at least 120 hours, the credit is 25% (up to a maximum credit of \$1,500).

For **youths hired as summer employees** between May 1 and September 15, and who live in an Empowerment Zone*, the tax credit is 40% of the first \$3,000 of wages, for a maximum credit of \$1,200 for employees who work at least 400 hours. If the youth separates before working 400 hours but has worked at least 120 hours, then the credit is 25% of the first-year wages (up to a maximum credit of \$750).

The tax credit for **Disabled Veterans** is calculated at 40% of the eligible employee’s first \$12,000 in wages for the first year (up to a maximum credit of \$4,800) if 400 hours of employment is reached. For employees who work at least 120 hours, but less than 400 hours,

the credit is calculated at 25% of the employee’s first \$12,000 in wages for the first year (up to a maximum credit of \$3,000).

The tax credit for the **Disabled Veteran with Six Months of Unemployment** is calculated at 40% of the eligible employee’s first \$24,000 in wages for the first year (up to a maximum credit of \$9,600) if 400 hours of employment is reached. For employees who work at least 120 hours, but less than 400 hours, the credit is calculated at 25% of the employee’s first \$12,000 in wages for the first year (up to a maximum credit of \$3,000).

The tax credit for **Unemployed Veteran with Six Months of Unemployment** is calculated at 40% of the eligible employee’s first \$14,000 in wages for the first year (up to a maximum credit of \$5,600) if 400 hours of employment is reached. For employees who work at least 120 hours, but less than 400 hours, the credit is calculated at 25% of the employee’s first \$14,000 in wages for the first year (up to a maximum credit of \$3,500).

The **Long Term Family Assistance Recipient Target Group** is eligible for a two-year program that provides businesses tax savings up to \$9,000 per eligible long-term Temporary Assistance for Needy Families (TANF) recipient hired. The first-year credit is equal to 40% of the first \$10,000 in qualified wages (up to a maximum credit of \$4,000). The second year’s credit is 50% of the first \$10,000 in qualified wages (up to a maximum credit of \$5,000). The employee must work and be retained for a minimum of 400 payroll hours for the employer to receive the full tax credit.

*See page 7 for details.

Business Process - 5 Easy Steps

Save time, apply online! Learn more at jobs.mo.gov/wotc

1. Get the forms

IRS Form 8850 and its instructions can be found on pages 9–14 of this packet. Please feel to tear this form out and make as many copies as you need. You also can visit either one of the following websites to download the needed forms: www.doleta.gov/business/incentives/opptax/ or www.IRS.gov (IRS Form 8850 and Instructions). You also can call toll free (800) 829-4933.

2. Screen your applicants

Use the IRS Form 8850 to screen all applicants for potential target-group membership. *The IRS requires that you do this on (or before) the day that you offer the job. Therefore, the “Gave Information” date (page 10) must be on or before the “Was Offered Job” date.* We suggest that you type in all your information, such as company name, address, etc., and then duplicate the form. The signature must be original and the rest of the company information can be copied. This will save time filling in that same information for each applicant. Add this form to your application packet or similar materials an individual might complete when applying for a job with your company. IRS Form 8850 does not ask the applicant to identify which target group he/she belongs to. Applicants just check boxes 2 to 5 if any of the statements apply to them. **If the applicant does not mark anything, STOP, and DO NOT mail the form to us.**

3. Go through your normal hiring process

If you hire someone that checked a box on the IRS Form 8850, have this new employee complete the ETA Form 9061 Individual Characteristics Form (ICF), which can be found on pages 15–19 in this book. This form asks new employees to identify the target group to which they belong.

4. Review the forms

Check the two forms to be sure they are legible and complete. Check the ETA Form 9061 to be sure a target group is indicated. Often, an applicant may feel that one of the statements on the IRS Form 8850 *does* apply to them, but feels that the more detailed statement on the ETA Form 9061 *does not* exactly apply. **When this occurs, STOP, and DO NOT mail the forms to us.**

The IRS requires the forms to be postmarked by the 28th day after the employee’s start date.

Like other IRS filing deadlines, we check the postmark date to prove the filing deadline was met. The only exception to the 28-day filing requirement is if the 28th day is a Saturday, Sunday, or Federal holiday. We can then accept a postmark of the next business day.

5. Keep your completed records for official documentation and submit online at jobs.mo.gov/wotc. You can also sign and mail the completed, original forms to:

Attention WOTC
Division of Workforce Development
P.O. Box 1087
Jefferson City, Missouri 65102-1087

Division of Workforce Development Procedures

When we receive your forms, we immediately compare the postmark date and the job-start date. We also check for employee and employer signatures.

The Application/Forms will be **denied** without exception if:

- The filing deadline is not met, and/or
- Signatures are missing.

If we get timely forms with original signatures, we will check state government records to verify your employee was a member of a target group indicated on the ETA Form 9061.

If we find your employee meets the eligibility guidelines, we will send you the Employer Certification letter that you or your accountant will need to claim the credit.

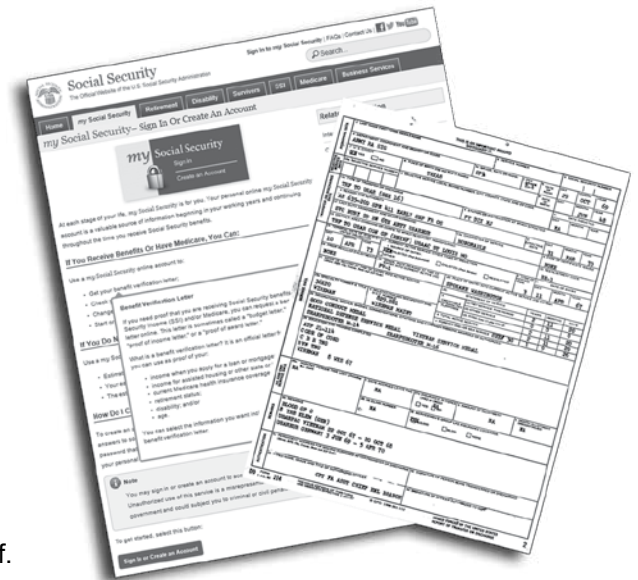

If we find your employee does **not** meet the eligibility guidelines, we will send you a **denial letter** stating the reason the application was denied.

If we don't have enough information to make a determination of eligibility, we will send you a letter requesting **additional information**.

Proof of Eligibility (Documentation)

If your employee indicates eligibility for:

- TANF Target Group
 - ▶ No proof is needed.
- Food Stamp Target Group
 - ▶ No proof is needed.
- SSI Target Group
 - ▶ No proof is needed.
- Vocational Rehabilitation Target Group
 - ▶ No proof is needed, **if** the services were provided by the State of Missouri. We do need proof from you if the services were provided by the Veterans Administration or another state. A letter from the Vocational Rehabilitation Counselor giving the Individual Plan for Employment (IPE) date (which must be before the hire date) will work as proof.

- Empowerment Zone or Rural Renewal County resident.
 - ▶ We can usually get proof of age and address from the records we have access to. If we can't get the information, we will notify you. The ETA Form 9061 Instructions give a list of acceptable forms of proof.
- Veteran Target Groups
 - ▶ We need a copy of the applicant's DD-214 or other form of discharge papers. For a disabled veteran, we will also need proof of disability from the U.S. Department of Veterans Affairs (VA).
- Ex-Felon Target Group
 - ▶ We can get the conviction and release information for the State of Missouri. A letter from a probation or parole office giving the conviction date and release date will be accepted as proof.
- Long Term Family Assistance Recipient
 - ▶ No proof is needed.
- Long Term Unemployment Recipient
 - ▶ No proof is needed. We have access to Unemployment and Wage records.

Accounting Process

You can claim the Work Opportunity Tax Credit by filing the IRS Form 5884 (or IRS Form 5884-C for tax-exempt organizations). The sample form can be found on page 14 of this guide. If you have any questions concerning the accounting processes, please call your local IRS Office or, toll free, IRS Telephone Assistance for Businesses: (800) 829-4933, Monday–Friday, 7AM–10PM, your local time.

Records Retention

The WOTC records, including application, pertinent forms, and supporting documentation, should be retained by the employer for five (5) years from the date of the written Certification from the State Workforce Agency (SWA). Revoked or denied Certifications must be retained for at least one (1) year, but longer if further action or an appeal is pending. This time period conforms to the IRS "record retention required" for employment taxes, which specifies that records be kept for four (4) years after employment taxes are due.

Designating a WOTC Agent

If you wish to authorize an intermediary, such as an accountancy firm or a management consultant, to act on your behalf in the WOTC certification process, you must provide to the State Workforce Agency (SWA) a notarized Power of Attorney. IRS Form 2848, "Power of Attorney and Declaration of Representative," may be used for this purpose.

Penalties and Reviews

There are some possible perjury penalties for misrepresentation. The law provides for a fine and/or imprisonment for making false statements or withholding facts. In addition, the State Workforce Agency (SWA) is required to take corrective action, as appropriate, for those employers or employees who misrepresent information on the WOTC forms.

Residents of Empowerment Zones and Rural Renewal Counties

Missouri has a federally designated Empowerment Zone and 10 Rural Renewal Counties (please see list below). An individual must live in one of these areas and meet the age requirements to qualify.

Rural Renewal Counties:

Atchison—Carroll—Chariton—Clark—Holt—Knox
Mississippi—New Madrid—Pemiscot—Worth

Empowerment Zone:

St. Louis, MO—East St. Louis IL

In Missouri, the Empowerment Zone comprises federally designated, highly distressed urban areas of St. Louis, MO, and East St. Louis, IL, that have experienced poverty or high outmigration. Empowerment Zones are defined by U.S. Census tracts, not by Zip Codes or city/county boundaries.

Instructions for Form 8850

(Rev. March 2016)

Department of the Treasury
Internal Revenue Service

Pre-Screening Notice and Certification Request for the Work Opportunity Credit

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form 8850 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form8850.

What's New

The Protecting Americans from Tax Hikes Act of 2015 made the following changes.

- The work opportunity credit has been extended to cover certain individuals who began working for you after December 31, 2014, and before January 1, 2020. For information about transitional relief, see [Who Should Complete and Sign the Form](#) and [When and Where To File](#).
- Empowerment zone designations have been extended to cover 2015 and 2016. For details, see [Empowerment Zones](#).
- A new targeted group has been added for qualified long-term unemployment recipients who begin work after 2015. For details, see [Members of Targeted Groups](#).

Purpose of Form

Employers use Form 8850 to pre-screen and to make a written request to the state workforce agency (SWA) of the state in which their business is located (where the employee works) to certify an individual as a member of a targeted group for purposes of qualifying for the work opportunity credit.

Submitting Form 8850 to the SWA is but one step in the process of qualifying for the work opportunity credit. The state work opportunity tax credit (WOTC) coordinator for the SWA must certify the job applicant is a member of a targeted group. After starting work, the employee must meet the minimum number-of-hours-worked requirement for the work opportunity credit. Generally, an employer elects to take the credit by filing Form 5884, Work Opportunity Credit. However, a tax-exempt organization that hires a qualified veteran should report the work opportunity credit on Form 5884-C, Work Opportunity Credit for Qualified Tax-Exempt Organizations Hiring Qualified Veterans.

You must receive the certification from the SWA before you can claim the related credit on Form 5884 or Form 5884-C.

Who Should Complete and Sign the Form

If the job applicant will begin working for the employer after May 31, 2016, the job applicant gives information to the employer on or before the day a job offer is made. This information is entered on Form 8850. If the employer believes the applicant is a member of a targeted group (as defined under [Members of Targeted Groups](#)), the employer completes the rest of the form no later than the day the job offer is made. Both the job applicant and the employer must

sign Form 8850 no later than the date for submitting the form to the SWA.

If the job applicant began working for the employer on or after January 1, 2015, and on or before May 31, 2016, Form 8850 can be completed and signed as described above at any time as long as it is completed, signed, and submitted to the SWA by June 29, 2016.

Instructions for Employer

When and Where To File

Do not file Form 8850 with the Internal Revenue Service. Instead, you must generally submit it to the SWA of the state in which your business is located (where the employee works) no later than the 28th calendar day after the date the member of a targeted group begins working for you. However, for members of targeted groups who began working for you on or after January 1, 2015 (January 1, 2016, for qualified long-term unemployment recipients), and on or before May 31, 2016, you have until June 29, 2016, to submit Form 8850 to the SWA.

Although facsimile filing of Form 8850 is permitted, not all states are equipped to accept a faxed copy of Form 8850. Contact your state WOTC coordinator as discussed below and see Notice 2012-13 for details. Notice 2012-13, 2012-9 I.R.B. 421, is available at www.irs.gov/irb/2012-09_IRB/ar07.html.

Although electronic filing of Form 8850 is permitted, not all states are equipped to receive Form 8850 electronically. Contact your state WOTC coordinator as discussed next and see Announcement 2002-44 and Notice 2012-13 for details. You can find Announcement 2002-44 on page 809 of Internal Revenue Bulletin 2002-17 at www.irs.gov/pub/irs-irbs/irb02-17.pdf.

To get the name, address, phone and fax numbers, and email address of the WOTC coordinator for your state, visit the Department of Labor Employment and Training Administration (ETA) website at www.doleta.gov/business/Incentives/opptax.

*Never attach Form 8850 to a tax return or otherwise send it to the IRS, regardless of the employee's targeted group. Form 8850 **must** be submitted to the SWA of the state in which your business is located (where the employee works).*

Additional Requirements for Certification

In addition to filing Form 8850, you must complete and send to your state WOTC coordinator either:

- ETA Form 9062, Conditional Certification Form, if the job applicant received this form from a participating agency (for example, the Jobs Corps); or
- ETA Form 9061, Individual Characteristics Form, if the job applicant did not receive a conditional certification. Additional

information may be required for qualified long-term unemployment recipients.

You can get ETA Form 9061 from your local public employment service office or you can download it from the ETA website at www.doleta.gov/business/Incentives/opptax.

Recordkeeping

Keep copies of Forms 8850, any transmittal letters that you submit to your state WOTC coordinator, and certification letters you receive from your WOTC coordinator as long as they may be needed for the administration of the provisions relating to the work opportunity credit. Records that support the credit usually must be kept for 3 years from the date any income tax return claiming the credit is due or filed, whichever is later.

Members of Targeted Groups

A job applicant may be certified as a member of a targeted group if he or she is described in one of the following groups.

1. **Qualified IV-A recipient.** An individual who is a member of a family receiving assistance under a state plan approved under part A of title IV of the Social Security Act relating to Temporary Assistance for Needy Families (TANF). The assistance must be received for any 9 months during the 18-month period ending on the hiring date.

2. **Qualified veteran.** A veteran who is any of the following.

- A member of a family that has received Supplemental Nutrition Assistance Program (SNAP) benefits (food stamps) for at least a 3-month period during the 15-month period ending on the hiring date.
- Unemployed for a period or periods totaling at least 4 weeks (whether or not consecutive) but less than 6 months in the 1-year period ending on the hiring date.
- Unemployed for a period or periods totaling at least 6 months (whether or not consecutive) in the 1-year period ending on the hiring date.
- Entitled to compensation for a service-connected disability and is hired not more than 1 year after being discharged or released from active duty in the U.S. Armed Forces.
- Entitled to compensation for a service-connected disability and was unemployed for a period or periods totaling at least 6 months (whether or not consecutive) in the 1-year period ending on the hiring date.

Note. Requesting the information in box 4 or box 5 of Form 8850 is an exception to the Americans with Disabilities Act's prohibition on pre-offer disability-related inquiries. The purpose of this request is to support the hiring of certain disabled veterans, which will entitle the employer to a larger work opportunity credit than the hiring of other targeted group members.

To be considered a veteran, the applicant must:

- Have served on active duty (not including training) in the Armed Forces of the United States for more than 180 days or have been discharged or released from active duty for a service-connected disability, and
- Not have a period of active duty (not including training) of more than 90 days that ended during the 60-day period ending on the hiring date.

3. **Qualified ex-felon.** An ex-felon who has been convicted of a felony under any federal or state law, and is

hired not more than 1 year after the conviction or release from prison for that felony.

4. **Designated community resident.** An individual who is at least age 18 but not yet age 40 on the hiring date and lives within an empowerment zone or rural renewal county (defined later).

5. **Vocational rehabilitation referral.** An individual who has a physical or mental disability resulting in a substantial handicap to employment and who was referred to the employer upon completion of (or while receiving) rehabilitation services by a rehabilitation agency approved by the state, an employment network under the Ticket to Work program, or the Department of Veterans Affairs.

6. **Summer youth employee.** An individual who:

- Performs services for the employer between May 1 and September 15;
- Is at least age 16 but not yet age 18 on the hiring date (or if later, on May 1);
- Has never worked for the employer before; and
- Lives within an empowerment zone.

7. **Recipient of SNAP benefits (food stamps).** An individual who:

- Is at least age 18 but not yet age 40 on the hiring date, and
- Is a member of a family that:
 - a. Has received SNAP benefits for the 6-month period ending on the hiring date; or
 - b. Is no longer eligible for such assistance under section 6(o) of the Food Stamp Act of 1977, but the family received SNAP benefits for at least 3 months of the 5-month period ending on the hiring date.

8. **SSI recipient.** An individual who is receiving supplemental security income benefits under title XVI of the Social Security Act (including benefits of the type described in section 1616 of the Social Security Act or section 212 of Public Law 93-66) for any month ending during the 60-day period ending on the hiring date.

9. **Long-term family assistance recipient.** An individual who is a member of a family that:

- Has received TANF payments for at least 18 consecutive months ending on the hiring date; or

- Stopped being eligible for TANF payments because federal or state law limits the maximum period such assistance is payable and the individual is hired not more than 2 years after such eligibility ended.

10. **Qualified long-term unemployment recipient.** An individual hired after 2015 who on the day before the individual begins work for the employer, or, if earlier, the day the individual completes Form 8850 as a prescreening notice, is in a period of unemployment that:

- Is not less than 27 consecutive weeks, and
- Includes a period (which may be less than 27 consecutive weeks) in which the individual received unemployment compensation under state or federal law.

Member of a Family

With respect to the qualified IV-A recipient, qualified veteran, recipient of SNAP benefits (food stamps), and long-term family assistance recipient, an individual whose family receives assistance for the requisite period meets the family

INSTRUCTIONS FOR COMPLETING THE INDIVIDUAL CHARACTERISTICS FORM (ICF), ETA 9061. This form is used together with IRS Form 8850 to help state workforce agencies (SWAs) determine eligibility for the Work Opportunity Tax Credit (WOTC) Program. The form may be completed, on behalf of the applicant, by: 1) the employer or employer representative, the SWA, a participating agency, or 2) the applicant directly (if a minor, the parent or guardian must sign the form) and signed (Box 25a.) by the individual completing the form. This form is required to be used, without modification, by all employers (or their representatives) seeking WOTC certification.
Boxes 1 and 2. **SWA.** For agency use only.

Boxes 3-5. **Employer Information.** Enter the name, address including ZIP code, telephone number, and employer Federal ID number (EIN) of the employer requesting the certification for the WOTC. Do not enter information pertaining to the employer's representative, if any.

Boxes 6-11. **Applicant Information.** Enter the applicant's name and social security number as they appear on the applicant's social security card. In Box 8, indicate whether the applicant previously worked for the employer, and if Yes, enter the last date or approximate last date of employment. This information will help the "48-hour" reviewer to, early in the verification process, eliminate requests for former employees and to issue denials to these type of requests, or certifications in the case of "qualifying rehires" during valid "breaks in employment" (see pages III-12 and III-13, Nov. 2002, Third Ed., ETA Handbook 408) during the first year of employment.

Boxes 12-23. **Applicant Characteristics.** Read questions carefully, answer each question, and provide additional information where requested.

The Protecting Americans from Tax Hikes Act of 2015 retroactively reauthorized current target groups for a 5-year period, January 1, 2015 through December 31, 2019, and extended the Empowerment Zones designations for a two-year period, January 1, 2015 through December 31, 2016. The Act introduced a new target group, Qualified Long-term Unemployment Recipient (LTUR), for new hires that begin to work for an employer on or after January 1, 2016– December 31, 2019, see Box 23. For guidance see IRS Relief Period in TEGL No. TEGL 25-15 and IRS Notice 2016-22 and 2016-40.

Box 24 **Sources to Document Eligibility.** The applicant or employer is requested to provide documentary evidence to substantiate the **YES answers** in Boxes 12 - 23. List or describe the documentary evidence that is attached to the ICF or that will be provided to the SWA. Indicate in parentheses next to each document listed whether it is attached (A) or forthcoming (F). Some examples of acceptable documentation are provided below. A letter from the agency that administers a program may be furnished specifically addressing the question to which the applicant answered YES. For example, if an applicant answers YES to either question in Box 14 and enters the name of the primary recipient and the city and state in which the benefits were received, the applicant could provide a letter from the appropriate SNAP (formerly Food Stamp) agency stating to whom SNAP benefits were paid, the months for which they were paid, and the names of the individuals included on the grant for each month. SWAs use this box to list the sources used to verify target group eligibility, followed with their initials and the date the determination was completed.

Description of Examples of Documentary Evidence and Collateral Contacts. Employers/Consultants: You may check with your SWA to find out what other sources you can use to prove target group eligibility. (You are encouraged to provide copies of documentation or names of collateral contacts for each question for which you answered **YES**.)
